

iPad TAKES FLIGHT

MYGOFLIGHT

iPad ForeFlight Basic & Advanced

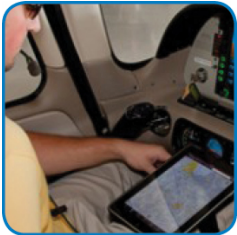

Get valuable hands-on learning experience with the most popular aviation app available.

A VFR flight plan is the basis of our Basic class. Learn the foundations of the app.

For more advanced functions, an IFR flight plan is used to reveal some of the most interesting features.

**Basic – Wednesday, February 10, 2016
6:00pm – 9:00pm**

**Advanced – Saturday, February 13, 2016
9:00am – 12:00pm**

Tuition \$79
